

Would you like to help local foster youth?

Foster youth are expected to go out on their own after their 18th birthday and lack the necessary support during this transition. As a result, they experience numerous obstacles such as homelessness, unemployment, and transportation problems. IVROP has started a foundation to help improve the lives of local foster youth and former foster youth.

YOUR DONATIONS CAN HELP LOCAL FOSTER YOUTH WITH SERVICES SUCH AS:

- HOUSING ASSISTANCE
- COLLEGE SCHOLARSHIPS
- EMERGENCY ASSISTANCE
- & MUCH MORE
