

# IMPERIAL VALLEY REGIONAL OCCUPATIONAL PROGRAM

687 W State Street, El Centro, CA 92243  
760-482-2600

Dear partners,

The COVID-19 pandemic has created an unprecedented situation that has affected us all. Our heart goes out to anyone who has been impacted by the virus, either directly or indirectly, and we send our sincerest gratitude to all the healthcare, frontline, and other essential workers.

As an agency dedicated to improving our community by creating paths to opportunities for people of all ages, we would like to share our response to this pandemic. First and foremost, the health and safety of Imperial Valley ROP staff, students, participants and our community is a priority, so our facilities have been closed to the public in efforts to support this. Nonetheless, staff continues to work on providing services and support to our students, participants, and partner agencies.

The IVROP Educational Services department has been learning and evolving to meet the changing needs of our students, teachers, families, and partners. Our team has been creating and curating distance learning resources and finding innovative ways to support our partner school districts. You can find our distance learning resources on the [IVROP Wakelet](#).

To learn more about the work our team has been doing during this pandemic (April-June 2020) please review the [Ed. Services COVID-19 Response Update](#). We've included several links to Developmental Asset/Social Emotional resources that we've made available to students and teachers, as well as a list of Outstanding Students and Participants who were nominated for our 22nd Annual Showcase and Recognition Ceremony which had to be cancelled this year due to the pandemic.

Imperial Valley ROP is committed to continue being a leader in supporting the community as we collectively navigate these unprecedented challenges. We believe in the Imperial Valley, and IVROP will continue empowering individuals in our community by providing services and support remotely.

Thank you for your continued support! On behalf of the Ed. Services team, we wish you well.

Sincerely,

IVROP Educational Services Team
